

VIBRA STRIKE II

THE TOP-OF-THE-LINE IN POWER SCREEDING

The Vibra Strike II is as quick and versatile as the original, and with the 4 stroke engine this is a power screed that delivers performance. Think of it as a Vibra Strike I with a little more attitude to get you *even* faster to the finish.

The 1.5 Horsepower Honda/GX35 engine has finely balanced rotating parts to give extra long life

Megaflex Cable Housing and four 1-1/2", 40 durometer SBR rubber bushings for vibration isolation

The vibrator has a DOM steel cylinder tubing insert that is precisely honed to house the bearings and drive shaft for extended life under extreme work conditions

A rubber hand grip at the throttle control provides extra comfort for the operator

The kick stand keeps the engine out of the concrete or off the ground when not in use.

Screeds are interchangeable
